

CALL FOR SUPPLIES FOR SEVENTY 6-STORY VERTICAL GARDENS

Biovision Africa Trust would like to invite quotations for the supply of seventy 6-story gardens. The 6-story vertical gardens should be of High-density polyethylene (HDPE)with Ultraviolet lays (UV) and of 10 meters sheet with a diameter of 1.5m & Shade nets 4*25m

About Biovision Africa Trust

BvAT, a not-for-profit organization established in Kenya in 2009 is situated on the main campus of the International Centre of Insect Physiology and Ecology (icipe) in Kasarani, Nairobi. The Trust's goal is to alleviate poverty and improve the livelihoods of smallholder farmers in Kenya and other African countries, through dissemination of information and knowledge and building capacity of famers for uptake of appropriate technology in order to improve human, animal, plant, and environmental health. BvAT implements a Farmer Communication Programme (FCP) in East Africa (Kenya and Tanzania), the African Union Ecological Organic Agriculture (EOA) initiative in nine countries and in collaboration with PELUM Uganda coordinates the Knowledge Hub for Eastern Africa (KHEA) in five countries under the global Knowledge Centre for Organic Agriculture in Africa (KCOA) covering the five regions of Africa - West, East, North, Central and Southern Africa.
